COUNTY CHANNEL REPORT

On May 17, 2005, your Board instructed this Office to secure consultant assistance in conducting a cable channel analysis and return to your Board in 90 days with a resulting proposal on how best to implement a County cable channel.

The consultant we have engaged to conduct this study, Susan Herman, has completed a draft plan which is under review by this Office. We plan to schedule an informational briefing on the draft plan and recommendations for Board press deputies within the next two to three weeks, and expect to present this matter for your Board's consideration by late September or early October 2005.

Please let me know if you have any questions, or your staff can contact Martin Zimmerman of this office at 213.974.1326 or mzimmerman@cao.co.la.ca.us.
